

Foster Parenting

Advanced Level, Non-Liberal, 4 credits

Foster Parenting is considered to be an advanced level knowledge that is non-liberal. It represents higher level skills and concepts that human service workers have acquired through applied practice. Advanced level knowledge indicates that you are able to use terminology, skills, and theory in an applied way. Foster Parenting is more often about how we do things (i.e., non-liberal) and not necessarily why we do things (i.e., liberal). Empire State College does not have a course on this topic.
