

Pathways Transfer Agreement (MOU) RN to BSN

Empire State College (ESC) and Niagara County Community College (NCCC), both of the State University of New York, agree to a Pathways Transfer Agreement in Nursing. The agreement is designed to support transfer students during their transition to ESC, and intends to:

- Ensure a smooth transfer for NCCC graduates to ESC;
- Ease the transition process for graduates changing from classroom-based learning to an educational model comprised significantly of online coursework;
- Provide an affordable and convenient baccalaureate degree option for NCCC graduates who want to remain close to their homes and/or community;
- Provide clear guidelines for NCCC graduates to follow during the transition.

ESC will offer Associate degree graduates in nursing from NCCC an opportunity to participate in the Pathways Transfer Program into the Bachelor of Science degree in nursing program. NCCC graduates meeting ESC's admissions requirements will become ESC students upon admission.

Admissions Requirements

- Completed AS degree in Nursing
- Possession of an active, unencumbered nursing license (RN)
- Completed ESC admissions application (including essay)

While enrolled at ESC, students in the Pathways Program may cross-register for up to 16 credits at NCCC. These lower-division credits will be applicable to general education requirements in the baccalaureate degree program. The minimum number of credits to be taken at ESC would be at least 45 advanced-level credits, which would include 41 credits in nursing. Up to 83 total credits could be included from NCCC.

Enclosed you will find a list of courses that can be taken by your students via cross-registration while still enrolled at your campus. These four credit upper level offerings will be accepted in transfer at the time your graduates enroll with ESC. The students receive the benefit of earning upper level credits that are directly applicable to their next degree.

A benefit for NCCC is the potential to receive additional tuition revenue for up to 16 credits for each Pathways Program student. In addition, each participating student will be able to transfer all credits earned as part of their associate's degree to ESC.

As part of the agreement, ESC will provide the following: outreach to faculty and transfer office staff at NCCC to provide program information, and offer information sessions for students on the NCCC campus, at ESC locations, and online.

NCCC agrees to provide: (1) access for cross-registered Pathways students to campus facilities and resources (i.e. Library, academic support, computer labs), (2) promotion of the program on campus to current students, faculty advisors, and alumni, and (3) to include this transfer agreement in any college publications where such agreements are listed (i.e. college catalog, website, transfer office brochures).

Nursing students may enroll at ESC on a full or part-time basis.

Demand for this program is expected to be high. Students from NCCC who are interested in the RN to BSN program are welcome to apply and will be considered as space is available. The transfer conditions are applicable to all admitted students.

Signatures to the Agreement

SUNY EMPIRE STATE COLLEGE

- Provost: _____ Date 6/19/13
- Dean of Nursing: Bridget Nettleton _____ Date 6/19/13

SUNY NIAGARA COUNTY COMMUNITY COLLEGE
