

Department Chair Initiative Update

October 2022 Update

A department leadership consultation group has been formed. The group includes Cynthia Bates, Mete Cetiner, Ajay Das, Tracy Galuski, Thalia MacMillan, Nazik Roufaiel, Roxana Toma, Gina Torino, and Frank Vander Valk. They met for the first time on October 5, 2022 and will meet bi-weekly throughout October and November. The group is reviewing current drafts of position descriptions, proposed trainings, and other relevant materials. As they disseminate information, they will gather input from their constituencies, and no later than December 2, 2022, provide feedback on implementation of the new roles.
