1. Approval of minutes from last meeting
   Debbie asked that the minutes be changed to reflect that she is from Metro. Minutes approved with change.

2. Reports
   A) Subcommittees
      1) Student Engagement and Inquiry
         Subcommittee will meet in March. A list of topics that was brought up at the World Café was shared.
         Note: Subsequent to the meeting – the group decided to propose another world café for the Student Wellness Retreat
      2) Student Leadership
         The committee has met and has examined other leadership models. Pat is framing out a proposal for which the committee will review and provide feedback. The committee met with
alumna Althea Lutehrson who is the Executive Director of Leadership Buffalo.
The group plans to request funding for the Institute through SAF for next year.
The Provost Council was very supportive of the idea of the institute.

B) Senate
1) SAC report to Senate was attached to the meeting notice
2) Co-chairs report from Senate
   The Senate meeting was extremely intense as the college addresses organizational changes going forward.

C) Office of Collegewide Student Services
1) Student Wellness Retreat
   a. Highlights
      Registration is at 420 (last year was around 300)
      The goal is 500 so please encourage your students to attend
      Please register if you have not already
      Proposal submission is closed. The program is full.
      In addition to Shawn Johnson, there will be two other speakers that are excellent and well known.
      There are 10 students in the Wellness Residency.
2) Art/Poster Competition Split
   Propose that we run one competition and of the winners of the competition – one will become the poster winner. The poster winner will be selected from a larger audience and not necessarily be the first place winner.
   Group agreed with this format and felt that it would engage more people and be more exciting.
3) Career Services
   Anita invited SAC members to review and comment on the proposed software – Purple Briefcase. She will send out a link. Students are now able to attend many of the SUNY Career Fairs across the state. Anita has held a twitter chat and posted information on Facebook.

3. New Business
   Statement of Support for rational tuition – Sandra said she received an email from one student saying she supported it. She is framing a letter and will share with the group. The committee members were supportive of this action.
   Jim also brought up that when tuition goes up – there are times when the government keeps the funds rather than distribute them to the schools. Sandra said she believes there is legislation being proposed that would stop this.
