Intensive Learning Opportunity in One of Today’s Top Emerging Markets

This unique study offers the opportunity to participate in an 8-day, intensive trip in Turkey where students will visit businesses and multinational corporations, with opportunities to explore sites of cultural importance. This international trip is part of an advanced-level, 4-credit, 15-week online course offered in the Spring 2 Term 2015 for undergraduate students pursuing degrees in business.

Learning activities also will include opportunities to work with Turkish students from Anadolu University and other SUNY students from Cortland.

Students must discuss this opportunity with their primary mentors and should have successfully completed some business study to make the most of the trip and course.

This course is offered by SUNY Empire State College in cooperation with SUNY Cortland and Anadolu University, Turkey.

Application Deadline – Nov. 15, 2014
Students accepted after this date will be reviewed, but may be subject to increased charges for international travel.
