II. OFFICE OF SAFETY AND SECURITY

The Office of Safety and Security at SUNY Empire State College oversees security operations for the college. The office serves as an administrative oversight for security operations at the Coordinating Center in Saratoga Springs and collegewide. The office works closely with law enforcement agencies and first responders throughout New York to ensure a safe, secure learning environment for our students and a professional work environment for our faculty and staff.

Safety is everyone’s responsibility. The college community is a great place to work; however, it is not immune to the types of problems seen throughout society. Unfortunately, crime is a reality at every location of Empire State College.

The college’s goal is to provide a safe and secure environment for students, staff and visitors. However, it is only possible to maintain safety and security when every student and staff member takes an active part in the effort.

The purpose of this publication is to:
• provide an overview of the Office of Safety and Security;
• share crime statistics required by the Jeanne Clery, Disclosure of Campus Security Policy and Campus Crime Statistics Act;
• inform current and prospective students, staff and visitors about the policies and programs designed;
• provide information regarding emergency preparedness and planning;
• distribute public information regarding fire safety, fire statistics and fire-related information.

III. COLLEGE LAW ENFORCEMENT

SUNY Empire State College’s Office of Safety and Security is located in Saratoga Springs. In conjunction with local law enforcement and individual facility management at our various locations, the office works to ensure the overall safety of the college community as a whole. The office is staffed during business hours only, and does not provide 24 hour a day coverage or a patrol force. The office works cooperatively with law enforcement agencies having jurisdiction at each Empire State College location. All federal, state and local laws apply at Empire State College. Memorandums of understanding have been forged with local law enforcement for the investigation of crimes that may occur at Empire State College. Representatives of the Office of Safety and Security serve an administrative function and do not have law enforcement authority. The Saratoga Springs locations and facilities employ personnel to serve in a security/public safety capacity Monday through Friday during normal business hours. Empire State College has developed policies and procedures to ensure that students and their possessions are protected as much as possible, it is primarily the responsibility of the student, faculty or staff member to provide for his or her own personal safety.

IV. THE JEANNE CLERY ACT

Compliance Statement: The Crime Awareness and Campus Security Act of 1990

A. Clery Campus Crime Statistics

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is the federal law, originally known as the Campus Security Act, that requires colleges and universities across the United States to disclose information about crime on and around their campuses. The Clery Act also requires reporting crimes on public property not owned or controlled by the college. (SUNY Empire State College is a nonresidential college.)

Colleges and universities are required to publish an annual report every year that contains three years’ worth of campus crime statistics and certain security policy statements including sexual assault policies that assure basic victims’ rights, the law enforcement authority of campus police, Security/Public Safety and where students should report crimes. The report is to be made available to all current students and employees. Prospective students and employees are to be notified of its existence and given an opportunity to request a copy. It remains the responsibility of the Office of Safety and Security for the collection of crime reports and distribution of the annual crime statistics and report by Oct. 1 of each calendar year.

The SUNY Empire State College “Annual Safety and Security Report and Procedures” is available to all current and perspective Empire State College students and employees upon request.

The “Annual Safety and Security Report and Procedures” includes:
• statistics on the number of on-campus murders, rapes, robberies, aggravated assaults, burglaries, motor vehicle thefts, bias-related crimes and arrests for weapons possessions and liquor and drug abuse violations;
• policies regarding security, access to college and other facilities, and college law enforcement;
• procedures for reporting crimes and other emergencies;
• information on college sexual assault and rape awareness programs, procedures to follow when a sex offense occurs, disciplinary action procedures, counseling opportunities and notification to students that Empire State College will make reasonable changes of a victim’s academic situation if the victim so chooses;
• policies on the use, possession and sale of alcoholic beverages and illegal drugs; and
• a description of Empire State College programs informing the campus community about alcohol and drug abuse education, crime prevention and campus security practices.
• Sex offender registry information, New York State Sex Offender Registry and NYS Sex Offender Registry home page at www.criminaljustice.ny.gov/. You also can call 800-262-3257.
• Procedures for emergency response, emergency communications and emergency evacuation procedures.

B. Geographic Locations Used Under the Clery Act

• On Campus: Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution’s educational purposes, including residence halls; and any building or property that is within or reasonably contiguous to paragraph (1) of this definition, that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes (such as a food or other retail vendor).

• Noncampus Building or Property: Any building or property owned or controlled by a student organization that is officially recognized by the institution; or any building or property owned or controlled by an institution that is used in direct support of, or in relation to, the institution’s educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution.

• On Public Property: All public property, including thoroughfares, streets, sidewalks and parking facilities, that is within the campus, or immediately adjacent to and accessible from the campus.

C. Safety and Security – Our Responsibility

The Office of Safety and Security is responsible for compiling and disseminating the Campus Safety Report annually as required by the Federal Student Right-to-Know Law and Campus Security Act, which was signed into law November 1990. The purpose of this report is to provide Empire State College faculty, staff, students and prospective students with campus safety information including crime statistics and procedures to follow in order to report a crime. Title II of this act was known as the Crime Awareness and Campus Security Act, which was amended and renamed in 1998 to the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, known as the Clery Act. The Clery Act mandates that institutions receiving Title IV federal funds disseminate crime statistics for certain serious offenses that occurred on campus and in adjacent areas for the current reporting year and the previous two calendar years.

Definitions

1) On an annual basis, the Office of Safety and Security solicits information from any and all law enforcement agencies with geographical jurisdiction over any and all Empire State College locations about criminal activity reported to those agencies. The information requested outlines crimes reported to the agencies that happened on or near an Empire State College location or involved members of the college community.

2) This report of crimes reflects but is not limited to crimes outlined under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act).

3) The Office of Safety and Security compiles data as outlined under the Clery Act and makes them available annually to the college community. Upon request, these data shall be provided to prospective students and employees.

4) Data obtained and reported to the Office of Safety and Security is held for seven years after an individual year report is published.

D. SUNY Empire State College, the New York State Campus Safety Act, Compliance Statement

• Empire State College acknowledges the importance of campus safety and investigating crime. By means of this statement Empire State College adheres to formal plans that provide for the investigation of missing students and violent felony offenses committed on campus. Memorandums of understanding throughout New York have been executed with various local law enforcement agencies to specifically address this issue.
What is the New York State Campus Safety Act?

This law was enacted in 1999. It was prompted by the unexplained disappearance of Suzanne Lyall from the State University of New York at Albany campus in 1998. The reforms made by this law acknowledge that improving campus safety must begin with swift and efficient investigative action and optimum access to missing person information by student’s families and the public. The act:

• requires all public, private, community colleges and universities in New York to have formal plans that provide for the investigation of missing students and violent felony offenses committed on campus;
• expands the responsibilities of the NYS Division of Criminal Justice Services (DCJS) Missing and Exploited Children Clearinghouse to provide assistance with the dissemination of information about missing college students.

E. Investigations of Missing Persons

SUNY Empire State College Missing Person’s Compliance Statement

A “missing student” or “missing person,” means any student of Empire State College subject to provisions of section 355 (17) of the New York State Education Law. Empire State College does not operate or employ residence halls. Therefore, any and all persons reported missing to Empire State College, or the Office of Safety and Security will be reported to the Saratoga Springs Police Department or law enforcement having immediate jurisdiction. In 2003, President George W. Bush signed into law “Suzanne’s Law,” requiring police to notify the National Crime Information Center (NCIC) when someone between 18 and 21 is reported missing, as part of the national “Amber Alert” bill.

F. Memorandums of Understanding

Empire State College, [in accordance with the provisions of Procedure #3650, dated July 1, 2004, set forth by the State University of New York, Campus Conduct and Other College Property Used for Educational Purposes, and The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, codified at 20 USC 1092 (f), Crime Awareness and Campus Security Act of 1990 otherwise known as the Campus Safety Act] developed memorandums of understanding with local law enforcement to address enforcement of laws at the college, to assist in the reporting of missing persons and investigate and respond to violent felony crime under New York Penal Law §70.

V. CRIMINAL AND INCIDENT REPORTING

A. Criminal Offense

If a criminal offense occurs at any of the college’s locations, it must be reported immediately. Notification must be made to local police and to the center dean or program director. Individuals who are victims of a crime at or near a college facility have the responsibility to report such acts to local police, college officials/campus security authority or the Office of Safety and Security. In each case, the center dean or program director will discuss the situation with the director of college safety and security and vice president for administration to determine the necessary actions to take. Victims or witnesses to crime also may report the incident to the Office of Safety and Security in Saratoga Springs. Emergency contact information for local police is located on the college safety and security website. During normal business hours, college officials will be available to assist victims and witnesses in reporting incidents to police. Criminal offenses occurring outside of normal business hours should be reported directly to local law enforcement. The college also has established an after-hours emergency contact number for Safety and Security; this number is 518-587-2100, ext. 2899.

B. Incident Reporting Procedure

SUNY Empire State College Incident Reporting Procedural Statement

Purpose

Establish guidelines to assist Empire State College community members in reporting of incidents that may occur to students, faculty and staff. Empire State College is regulated by statute to report specific criminal incidents that have direct correlation to the college. The guidelines that follow will assist individuals in reporting of incidents and streamline the notification process.

Definitions

• Incidents: An incident may be defined as, an action or event that is, has or is going to occur that has an effect on someone or something. For the purposes of this procedure an “incident” is a crime, emergency or incident immediately dangerous to life, health or to the college as a whole.
• Incident Report: Official report taken by Empire State College with regards to an incident documenting information regarding said incident. A police agency report will serve as an official report under this definition.
Incident Reporting, Criminal or Violent Behavior

All college staff, faculty and students are asked to assist in making the college a safe place by being alert to suspicious situations or persons and reporting them as outlined below. If you witness, are the victim of, or are involved in any on-campus violation of the law such as assault, robbery, theft or overt sexual behavior, local emergency police services should be called at 911 as soon as possible and the following information should be given:

- nature of the incident
- location of the incident
- description of the person(s) involved, injured
- description of the property involved

In addition, the individual should immediately report the incident to the dean (or designee) or appropriate vice president. Crimes or incidents of a lesser nature including, but not limited to: property crimes, larceny and vandalism, are to be immediately reported to the dean (or designee) or appropriate vice president. If an individual notices a person(s) acting suspiciously at a Coordinating Center location, he or she should contact the Office of Safety and Security at 518-587-2100, ext. 2899. In all other locations, individuals should contact the dean (or designee) at the location who will determine if the police need to be contacted.

Incidents requiring medical attention should be reported to local emergency 911 officials. In addition, the individual should immediately report the incident to the dean (or designee) or appropriate vice president.

Reporting of all incidents to college officials is mandatory. Persons reporting must contact the dean (or designee), appropriate vice president or designated college campus security authority to report the incident that occurred. They in turn will contact the Office of Safety and Security (518-587-2100, ext. 2899) who will conduct an investigation with the police agency taking the initial report (if applicable). In addition, the dean (or designee) or appropriate vice president must file a written incident report with the Office of Safety and Security at www.esc.edu/Security.

All Empire State College locations located on a SUNY college campus are required to adhere to that respective college's emergency notification system when incidents occur.

In the event of a critical incident or violent criminal act, Empire State College in conjunction and communication with local law enforcement will, in accordance with the Jeanne Clery Act (34 CFR 668.46(e), issue a “timely warning” and/or “emergency notification” as directed by the Empire State College Emergency Notification and Timely Warning Policy.

Identification of College Campus Security Authorities

The college has designated certain administrators and staff as “campus security authorities” in recognition that many students, faculty and staff may be hesitant about reporting crimes to local police or Safety and Security, and may be more inclined to report incidents to nonlaw enforcement administrators and/or staff instead.

Campus security authorities are individuals designated at each Empire State College campus to aid in the safety of the college community. Contact your campus security authority if you see unsafe conditions at a college location; if you or someone else in the college community is the victim of a crime; or if you or someone else in the college community needs a referral for drug or alcohol abuse, or for rape counseling.

Campus security authorities are charged with reporting to the appropriate law enforcement personnel, either Safety and Security or local police, or to any official or office which should be informed of the crime or complaint due to the nature of the crime or complaint, those allegations of Clery Act crimes that the campus security authority concludes are made in good faith. A campus security authority is not responsible for determining whether a crime took place as that is the function of law enforcement and its investigatory process.

A campus security authority is required to report all allegations to law enforcement personnel, even if the campus security authority was told of a crime in the context of providing emotional support or health care support. The allegations will be reported whether or not the victim chooses to file a report with law enforcement or press charges. A campus security authority also may provide a victim or witness with assistance in reporting a crime to Safety and Security or local police, or to any official or office which should be informed of the crime or complaint.

Counselors at the college are not campus security authorities, and are therefore exempt from disclosing or reporting allegations of crimes and incidents. However, to be exempt from the Clery Act reporting requirements, the counselor must be acting in their professional role of mental health counselors at the college. For example, a dean who has Ph.D. in psychology is not acting in the counseling role, but rather as a dean; and a Ph.D. student in psychology working in the counseling center as part of his or her education and training is acting in the counseling role. The college encourages them to inform their clients of the procedures in accordance with their professional judgment, given the individual victim and circumstances before them. Please see location specific contact information on page 1.
In addition, as required under, (34 CFR 668.46a)

- The college must designate certain administrative personnel as “college security authorities”

- The following persons are recognized as college security authorities:
  - Office of Safety and Security, director/coordinator and assistants/designees
  - vice president and assistant vice president for administration, affiliate vice presidents
  - assistant vice president for human resources and labor relations, or designee
  - provost and vice provosts
  - director of collegewide student services, or designee
  - deans and associate deans
  - directors and coordinators
  - President’s Advisory Committee on Security, Threat Assessment team members
  - affirmative action officer
  - director of collegewide disability services

### Definitions of Crimes, New York State

Violence against women act specific definitions: The Violence Against Women Act and its proposed regulations require the inclusion of certain New York state definitions in a campus’s Annual Security Report and also require that those definitions be provided in campaigns, orientations, programs and trainings for employees and students. Definitions required include: consent, dating violence, domestic violence, sexual assault and stalking.

**CONSENT** – Lack of consent results from: forcible compulsion; or incapacity to consent; or where the offense charged is sexual abuse or forcible touching, any circumstances, in addition to forcible compulsion or incapacity to consent, in which the victim does not expressly or impliedly acquiesce in the actor’s conduct. Where the offense charged is rape in the third degree, a criminal sexual act in the third degree, or forcible compulsion in circumstances under which, at the time of the act of intercourse, oral sexual conduct or anal sexual conduct, the victim clearly expressed that he or she did not consent to engage in such act, and a reasonable person in the actor’s situation would have understood such person’s words and acts as an expression of lack of consent to such act under all the circumstances. A person is incapable of consent when he or she is: less than 17 years old; or mentally disabled; or mentally incapacitated; or physically helpless; or committed to the care and custody of the state department of correctional services, a hospital, the office of children and family services and is in residential care, or the other person is a resident or inpatient of a residential facility operated by the office of mental health, the office for people with development disabilities, or the office of alcoholism and substance abuse services, and the actor is an employee, not married to such person, who knows or reasonably should know that such person is committed to the care and custody of such department or hospital.

**CONSENT, ABBREVIATED** – Clear, unambiguous and voluntary agreement between the participating to engage in specific sexual activity.

**DATING VIOLENCE** – New York state does not specifically define dating violence. However, dating violence would include the crimes listed elsewhere in this document when committed by a person in a social relationship of a romantic or intimate nature with the victim. Dating violence includes, but is not limited to, sexual or physical abuse or threat of abuse. It does not include acts covered under the definition of domestic violence.

**DOMESTIC VIOLENCE** – An act which would constitute a violation of the penal law, including, but not limited to acts constituting disorderly conduct, harassment, aggravated harassment, sexual misconduct, forcible touching, sexual abuse, stalking, criminal mischief, menacing, reckless endangerment, kidnapping, assault, attempted murder, criminal obstruction or breaching or blood circulation, or strangulation; and such acts have created a substantial risk of physical or emotional harm to a person or a person’s child. Such acts are alleged to have been committed by a family member. The victim can be anyone over the age of 16, any married person or any parent accompanied by his or her minor child or children in situations in which such person or such person’s child is a victim of the act.

**FAMILY OR HOUSEHOLD MEMBER** – Person’s related by consanguinity or affinity; persons legally married to one another; person formerly married to one another regardless of whether they still reside in the same household; persons who have a child in common regardless of whether such persons are married or have lived together at any time; unrelated persons who are continually or at regular intervals living in the same household or who have in the past continually or at regular intervals lived in the same household; persons who are not related by consanguinity or affinity and who are or have been in an intimate relationship regardless of whether such persons have lived together at any time. Factors that may be considered in determining whether a relationship is an “intimate relationship” include, but are not limited to: the nature or type of relationship regardless of whether the relationship is sexual in nature, the frequency of interaction between the persons and the duration of the relationship. Neither a casual acquaintance nor ordinary fraternization between two individuals in business or social contexts shall be deemed to constitute an “intimate relationship;” any other category of individuals deemed to be a victim of domestic violence as defined by the office of children and family services in regulation.

**PARENT** – Means natural or adoptive parent or any individual lawfully charged with a minor child’s care or custody.

**SEXUAL ASSAULT** – New York state does not specifically define sexual assault. However, according to the Federal Regulations, sexual assault includes offenses that meet the definitions of rape, fondling, incest or statutory rape as used in the FBI’s UCR program.
SEX OFFENSES; LACK OF CONSENT – Whether or not specifically stated, it is an element of every offense defined in this article that the sexual act was committed without consent of the victim.

FORCIBLE TOUCHING – When a person intentionally, and for no legitimate purpose, forcibly touches the sexual or other intimate parts of another person for the purpose of degrading or abusing such person; or for the purpose of gratifying the actor’s sexual desire. It includes squeezing, grabbing or pinching.

PERSISTENT SEXUAL ABUSE – When a person commits a crime of forcible touching, or second or third degree sexual abuse within the previous 10 year period, has been convicted two or more times, in separate criminal transactions for which a sentence was imposed on separate occasions of one of the above mentioned crimes or any offense defined in this article, of which the commission or attempted commissions thereof is a felony.

SEXUAL ABUSE IN THE THIRD DEGREE – When a person subjects another person to sexual contact without the latter’s consent. For any prosecution under this section, it is an affirmative defense that (1) such other person’s lack of consent was due solely to incapacity to consent by reason of being less than 17 years old; and (2) such other person was more than 14 years old and (3) the defendant was less than 5 years older than such other person.

SEXUAL ABUSE IN THE SECOND DEGREE – When a person subjects another person to sexual contact and when such other person is (1) incapable of consent by reason of some factor other than being less than 17 years old; or (2) less than 14 years old.

Persons reporting also should contact the Office of Safety and Security in Saratoga Springs to report incidents. The Office of Safety and Security will conduct an investigation with the police agency taking the initial report. Once an incident has been reported to a regional center dean or the Coordinating Center, an incident report will be filed through the Office of Safety and Security at www.esc.edu/SafetyandSecurity.

E. Protection and Confidentiality

Nothing in this report will be construed to permit the college, or an officer, employee or agent of the college, participating in any program under this title to retaliate, intimidate, threaten, coerce or otherwise discriminate against any individual with respect to the implementation of any provision of this document. At this time, there are no provisions for confidential reporting.

Empire State College encourages students, faculty and staff to report all criminal activity that has occurred at an Empire State College location. The report of the criminal activity may be anonymous and the person may request confidentiality. Empire State College does not have a policy or procedure that encourages its professional counselors; if and when the counselor deems it appropriate, to inform the person being counseled of any procedures to report crime on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics.

The Office of Safety and Security, in conjunction with the Office of Academic Affairs, Office of Administration and local law enforcement agencies, prepares this report to comply fully with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. Statistics are compiled in accordance with the Uniform Crime Reporting System of the Department of Justice and the Federal Bureau of Investigation.

Campus crime, arrest and referral statistics include those reported to the Office of Safety and Security, and designated campus officials (including Office of Administration, Office of Academic Affairs, Office of the President, Office of Human Resource and academic deans), and local law enforcement entities. Crimes are reported that occur on campus, on locations that are contiguous to the campus, and buildings or properties that are either owned or controlled by a campus affiliated entity.

College policy encourages every member of the campus community to report a crime promptly. Information is available and is provided to individual’s in reference to, voluntary confidential reporting procedures in the event a person does not want to pursue action either within the federal or state criminal justice system or within the university’s discipline system. A procedure is in place to capture crimes statistics which are disclosed anonymously to Office of Safety and Security or the Counseling Center.

The data for the annual crime statistics is monitored daily. Every Empire State College campus has a designated campus security authority. The campus security authority, upon receiving notification of a crime incident on Empire State College property, will verify the circumstances and put the information into the appropriate database. These crime statistics will be published as part of the Empire State College Annual Security Report. Current data also can be disseminated upon request. The campus security authority will inform the Office of Safety and Security on an annual basis upon request the crime statistics reported to them for the previous calendar year. Data received from local law enforcement is compared to the college’s internal database to ensure accurate reporting.
Each year, an email notification is made to all enrolled students, faculty and staff that lists the website to access this report. Copies of the report also may be obtained at the Office of Safety and Security located at 2 Union Ave., Saratoga Springs NY 12866-4390. All prospective students may obtain a copy by calling the Office of Safety and Security, the undergraduate or graduate admissions office, or by visiting the website at www.esc.edu/SafetyandSecurityAnnualReport.

All prospective employees may obtain a copy by calling the Office of Safety and Security or by visiting the above website.

Of note, the federal Clery Act may define a particular crime differently than that crime is defined under the New York State Penal Code. For the purposes of this report, the university uses the Clery Act definitions of crimes. Please see herein for the Clery Act definitions.

Procedure to Follow
For information that is believed to be of interest or concern to the entire college population, the vice president of administration will typically notify the Office of the President in advance of sending a campus wide notification.

What warrants a “timely warning” or “emergency notification?”
SUNY Empire State College will issue Timely Warnings for a specific college location or collegewide whenever a crime is reported to the Office of Safety and Security, Public Safety or a local police agency that is considered to represent a serious or continuing threat to students and employees. Whenever a timely warning is sent, it will be sent to the entire affected community.

Emergency Notifications will be issued, when the college is made aware of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurs at a specific campus location. As appropriate, emergency notifications may be targeted at the segment or segments of the campus community that are at risk. Emergency notifications will be issued without delay unless doing so would compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

The vice president for administration, or in their absence the assistant vice president for administration, in conjunction with the director of safety and security, Public Safety and/or other campus and noncampus officials as appropriate, will confirm the existence of a situation that may warrant a warning or notification and determine if a timely warning or emergency notification is warranted and the extent of the notification as appropriate. In addition to criminal incidents emergency notifications may be issued in situations such as, but not limited to:

Safety Related Issues:

Emergency Response Plan Synopsis
This collegewide Comprehensive Emergency Management Plan is designed to outline a plan of action so that emergencies can be dealt with immediately in a logical and coherent manner. The intention of the Emergency Response Plan is not to establish policy, but to create a framework that will allow an immediate response to an emergency.
This plan is the result of the recognition by the college officials that there is a responsibility to manage emergency and disaster situation on campus and coordinate with all public safety and local government officials. The college recognized that a comprehensive plan is needed that is compliant with HSPD-5, including the National Incident Management Systems (NIMS). The plan also must be consistent with, and closely linked to, county and state plans.

The Comprehensive Emergency Management Plan designates College Security, Public Safety and local police as the initial contact for reporting all emergency situations and as the central point of communication during the response and resolution of all emergencies.

Comprehensive Emergency Management Plan is designed to maximize human survival and preservation of property, minimize danger, restore normal operations to Empire State College and assure responsive communications with the college campus community, surrounding regions and the cities in which we function within.

This plan is set in operation whenever a natural or induced emergency reaches proportions that cannot be handled by established measures. A crisis may be sudden and unforeseen, or there may be varying periods of warning. This plan is intended to be sufficiently flexible to accommodate contingencies of all types, magnitudes and duration.

The Empire State College Comprehensive Emergency Management Plan is put into effect whenever a crisis, man-made or natural, disrupts operations, threatens life, creates major damage or occurs within the college community and its environments.

**Emergency Response and Evacuation Procedures**

Under the collegewide Comprehensive Emergency Management Plan (CEMP), the college practices regular emergency evacuation drills and fire safety drills.

An emergency or crisis situation can arise at SUNY Empire State College any time and from many causes. Emergencies range from chemical spills, fires and bomb threats to explosions, natural disasters and civil disturbances such as riots or labor unrest.

The SUNY Empire State College, collegewide Comprehensive Emergency Management Plan is a procedural document, which incorporates the Incident Command System for organizing, coordinating and directing available resources toward the control of an emergency. The plan includes a chain of command establishing the authority and responsibility of various individuals. In emergencies, procedures sometimes must be changed at an instant's notice; therefore, responsible and knowledgeable persons who know the procedures have the authority to make necessary modifications.

**Procedure to follow**

For information that is believed to be of interest or concern to the entire college population, the threat assessment team in conjunction with the vice president for administration will typically notify the Office of the President in advance of sending a campus wide notification.

The college will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.

**C. SUNY Empire State College Community Responsibility**

All Empire State College community members including faculty, staff and current students are encouraged to sign up for New York State Alert and ALERT.esc.edu. Empire State College will use this as one of the methods to communicate emergencies.

Alert.esc.edu

The collegewide notification system that will allow single source notifications to all parties affected by an emergency will receive information in a timely manner as needed. This information will be posted on the Safety and Security website as the program is implemented.

Additional information may be found at, ALERT.esc.edu, all faculty, staff and students email addresses will be entered into the emergency notifications system to receive emergency notifications as they may develop. Accounts have been created for current faculty, staff and students. Once an account has been accessed by the intended receiver, you may modify passwords, user settings and groups in which you belong to. Users may opt into various groups of notification at any time. Users however will not be able to opt out of emergency notifications sent by the college.

**VII. BUILDING SECURITY**

**A. Access to Facilities and Security of Building**

Most college locations are open to the public during normal business hours. At night and during periods when classes are not in session, college buildings are generally locked. A security access card system is utilized at various locations. Faculty, staff and a limited number of
students, with proper identification are issued keys/access cards to gain entry into buildings. Individuals assigned access cards or keys are responsible for reporting missing, lost and/or stolen access cards or keys. Saratoga Springs locations offer a key card access control system for all employees to utilize in gaining access to secure facilities. Additionally, other monitoring devices have been employed to assist with the overall general safety of the community.

Empire State College utilizes various facilities statewide, security at each of our locations may vary slightly depending on existing infrastructure and inbuilding services provided by individual landlords. Specific questions on a particular locations security may be directed through the Office of Safety and Security or the deans office for that specific location.

B. Campus Facilities

The college’s goal is to provide a campus environment that is as safe and secure as possible. Generally, campus buildings and facilities are not only accessible to members of the campus community but also to the public during normal business hours 8 a.m. to 5 p.m. During nonbusiness hours, 5 p.m. to 8 a.m., classrooms and office buildings not in use will remain locked. The college details additional access control and building operations under procedures for Security and Access to Campus facilities. Note: The college operates various locations after normal business hours for the purposes of the college mission; center deans have discretion to operate outside of normal business hours.

C. Security and Access to Campus Facilities Procedure Policy Statement

Empire State College establishes procedures to ensure the safety of its students and employees.

All procedures follow these basic principles:

- **Normal business hours**: 8 a.m. to 5 p.m., Monday through Friday. Main entrances to facilities will be open and auxiliary entrances shall remain secured unless otherwise accommodated for. Facilities that host after-hour events or provide student instructional services may opt to have entrance times vary. The office manager and dean of the center are responsible for variances in times. Additionally, at the discretion of the center dean, hours of operation, may vary.

- **Holidays and other college closings**: All facilities will be closed and secured during state recognized holidays. Alarm systems will be armed for 24 hours during these dates. Only college personnel with authorization privileges shall be permitted access to the building.

- **Special considerations**: Empire State College hosts various functions and has liberal leave days. During these times facilities operate on limited staffing. When a facility remains open the receptionist area of the main entrance will be staffed when possible. Main entrance areas may remain open. In buildings with card access, personnel will utilize this option for access to the facilities. Example: in Saratoga Springs during an event such as the All College Conference, the shipping and receiving area will be the primary point of delivery for all college deliveries during times of reduced staffing.

D. Other General Information

**Visitors and Vendors**

All visitors are required to utilize main entrances to facilities. They are then required to sign in at the receptionist desk and obtain a visitor vendor pass for the day. A phone is located at the desk for the receptionist to contact the individual being sought to therefore come to meet the party.

Employees who organize meetings and events after normal working hours are responsible for the facility while the meeting is in session and also are responsible for ensuring that the building is secured when they leave. The dean and/or office manager of remote locations will oversee access and grant privileges. Please also refer to the Building Use Policy.

The employee identification card should be visibly displayed at all times while in college-controlled facilities or while at functions organized by Empire State College.

**Access Control and Security System**

The purpose of the Access Control and Security System is:

- to improve the security of facilities with an effective policy;
- to comply with campus wide crime prevention and control objectives;
- to enable Empire State College to safeguard the work facilities;

The college provides specialized trainings and crime prevention programs primarily for faculty and staff on an ongoing basis. No formal crime prevention programs for students exists at this time, however, security prevention links are listed on the website (www.esc.edu).

Empire State College, is a nonresidential college campus. Students are mature adults who live and work in their own communities; many of these communities publicize safety measures and crime prevention information. The Office of Safety and Security website (www.esc.edu/SafetyandSecurity) has direct links to local police agencies across New York, some may list information on personal safety and security initiatives.

All employees, are advised of building security procedures, personal safety awareness and work place/domestic violence programs when they begin employment with the college during “new employee orientation” sessions.

Annual notification regarding specific policies and procedures can be found within this document. Specific policy information regarding “Work Place Violence and Domestic Violence” may be located at www.esc.edu/SafetyandSecurity.

**B. Off-campus Criminal Activity**

Empire State College is a nonresidential college with no dorms or off-campus housing. Off-campus groups or associations in a living environment associated with the college do not exist. The Office of Safety and Security works regularly with local law enforcement to identify crimes or incidents that occur on or near college facilities. All events conducted in conjunction with Empire State College off college property are considered college events and must follow procedures and codes of conduct in adherence with college policy.

**IX. CAMPUS SEX CRIMES PREVENTION ACT OF 2000**

The act sets requirements for sexual offender registration and community notification. The Campus Sex Crimes Prevention Act of 2000 provides for the tracking of convicted sex offenders enrolled at, or employed by, institutions of higher education. It requires sex offenders, already required to register in a state, to provide notice of each institution of higher education in that state in which that person is employed, carries on a vocation or is a student. The act amends the Family Educational Rights and Privacy Act of 1974 (FERPA) to clarify that nothing in the act can prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders.

Information is listed at New York Division of Criminal Justice Services’ Sex Offender Registry or at www.criminaljustice.state.ny.us/nsor. You also may contact the NYS DCJS Sex Offender Registry at 518-457-3167 or 800-262-3257.
X. SEXUAL OFFENDER REGISTRY

The Sex Offender Registration Act requires the Division of Criminal Justice Services (DCJS) to maintain a Sex Offender Registry. The registry contains information on classified sex offenders according to their risk of re-offending: low risk (level 1), moderate risk (level 2) and high risk (level 3). The act requires that the division also maintain a subdirectory of level 3 sex offenders. The DCJS Sex Offender Registry site may be found on the Web (www.criminaljustice.state.ny.us/nsor) and contains their subdirectory of level 3 sex offenders as well as other information regarding the New York State Sex Offender Registry (referred to as “the registry”).

Sex offenders registered in New York are now required to notify the registry of any institution of higher education at which he or she is, or expects to be, whether for compensation or not, enrolled, attending or employed, and whether such sex offender resides or expects to reside in a facility operated by the institution. Changes in status at the institution of higher education also must be reported to the registry no later than 10 days after such change.

Empire State College will maintain a website link to the New York State Sex Offender Registry and local law enforcement that maintain listings of registered sex offenders.

Correction Law §168-b requires that Division of Criminal Justice Services (DCJS) include this information regarding an institution of higher education on its registry.

XI. SEXUAL HARASSMENT AND SEXUAL ASSAULT

A. Definitions

**Sexual Harassment**

Sexual harassment is any unwelcome attention or unwanted verbal or physical advance of a sexual nature made by someone in the workplace or educational setting, which is offensive or objectionable to the recipient.

Sexual harassment can substantially interfere with a student’s education and should be addressed. For further assistance, please contact the college’s affirmative action officer at 518-587-2100, ext. 2858.

The Sexual Harassment Policy is available on the college website at www.esc.edu, in the college catalog and at all college locations stating that sexual harassment of either employees or students will not be tolerated.

**Sexual Assault and Rape**

Interpersonal violence can happen to anyone regardless of age, sex, race, socioeconomic status or the length of time the individuals involved have known each other. Rape is an act of violence and an attempt to control, humiliate and degrade the victim. Rapists can be anyone and often may be a friend, acquaintance or family member. Alcohol and other mood-altering substances are known contributors to episodes of this type of behavior. Any sexual contact that is made without the consent of the victim is considered a sexual offense. Rape and sodomy are felony crimes. The New York State Penal Law, Article 130, posted on the college’s website (www.esc.edu) defines sex offenses and applicable punishment.

B. Sexual Assault Crimes and Offenses

Sexual activity with another person against his or her wishes is a crime (New York State Penal Law, Article 130). If the victim does not resist or express unwillingness, a crime may still have been committed.

Sexual activity is defined as sexual contact, not restricted to the act of intercourse. The crimes specified in Article 130 may constitute a Class A misdemeanor to a Class B felony. A misdemeanor is a criminal offense for which a sentence of a fine or imprisonment for more than 15 days, but less than one year, could be imposed.

A felony is a criminal offense punishable by a fine or imprisonment for more than one year.

In addition, Empire State College may impose sanctions outlined in the Student Code of Conduct, ranging from disciplinary action, warnings and expulsion. The outcome of sexual offences at Empire State College depends on several factors including the reporting of the incident and the willingness of the victim to press charges. The mechanisms of adjudication are criminal court, civil court, an administrative conduct hearing or all of these listed. Empire State College will not hinder prosecution, therefore all federal, state and local laws apply within college setting.

C. Sexual Harassment Policy

Empire State College is committed to ensuring an environment for all employees and students which is fair, humane and respectful, an environment which supports and rewards employee and student performance on the basis of ability and effort. In November 1980,
the Equal Employment Opportunity Commission issued final guidelines on sexual harassment in the workplace reaffirming that sexual harassment is an unlawful employment practice under Section 703 of Title VII of the Civil Rights Act of 1964, as amended.

The Federal Equal Employment Opportunity Commission has defined sexual harassment as: “unwelcome sexual advances, requests for favors and other verbal or physical conduct of a sexual nature when submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment, submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or such conduct has the purpose or effect of substantially interfering with an individual’s work performance or creating an intimidating, hostile or offensive working environment.”

Empire State College prohibits such conduct.

Empire State College has a discrimination grievance procedure that is available for use by any employee or student who feels that he or she has been the victim of sexual harassment or other unlawful discrimination. Persons wishing to discuss an incident or use the discrimination procedure may contact the affirmative action officer at 518-587-2100, ext. 2858, or the appropriate center dean. The affirmative action officer and/or the Office of Safety and Security also may serve as a reporting entity for such complaints. All inquiries are confidential and will be dealt with promptly.

XIX. WEAPONS POSSESSION

College policy prohibits, unauthorized possession or use of firearms, explosive devices, fireworks, dangerous or illegal weapons, or hazardous materials.

A. Safety Guidelines for Armed Subjects, Active Shooter Situations.

An active shooter is a person who appears to be actively engaged in killing or attempting to kill people in a populated area. In most cases active shooters use firearm(s) and there is no pattern or method to their selection of victims. These situations are dynamic and evolve rapidly, demanding immediately deployment of law enforcement resources to stop the shooting and mitigate harm to innocent victims. This section provides guidance to persons who may be caught in an active shooter situation, and describes what to expect from responding police officers.

What should you do

In general, how you respond to an active shooter will be dictated by the specific circumstances of the encounter, bearing in mind there could be more than one shooter involved in the same situation. If you find yourself involved in an active shooter situation, try to remain calm and use these guidelines to help you plan a strategy for survival.

• If an active shooter is outside your building, proceed to a room that can be locked, close and lock all the windows and doors, and turn off all the lights; if possible, get everyone down on the floor and ensure that no one is visible from outside the room. One person in the room should call 911, advise the dispatcher of what is taking place, and inform him/her of your location; remain in place until the police or a campus administrator known to you, gives the “all clear.” Unfamiliar voices may be the shooter attempting to lure victims from their safe space; do not respond to any voice commands until you can verify with certainty that they are being issued by a police officer.

• If an active shooter is in the same building you are, determine if the room you are in can be locked. If so, follow the same procedure described in the previous paragraph. If your room can’t be locked, determine if there is a nearby location that can be reached safely and secured, or if you can safely exit the building. If you decide to move from your current location, be sure to follow the instructions outlined below.

• If an active shooter enters your office or classroom, try to remain calm, dial 911, if possible, and alert police to the shooter’s location; if you can’t speak, leave the line open so the dispatcher can listen to what’s taking place. Normally the location of a 911 call can be determined without speaking. If there is absolutely no opportunity to escape or hide, it might be possible to negotiate with the shooter; attempting to overpower the shooter with force should be considered a last resort, after all other options have been exhausted. If the shooter leaves the area, proceed immediately to a safer place and do not touch anything that was in the vicinity of the shooter.

• No matter what the circumstances, if you decide to flee during an active shooting situation, make sure you have an escape route and plan in mind. Do not carry anything while fleeing, move quickly, keep your hands visible, and follow the instructions of any police officers you may encounter. Do not attempt to remove injured people; instead, leave wounded victims where they are and notify authorities of their location as soon as possible. Do not try to drive off campus until advised it is safe to do so by police or campus administrators.

What to expect from responding police officers

Police officers responding to an active shooter are trained to proceed immediately to the area in which shots were last heard; their purpose is to stop the shooting as quickly as possible. The first responding officers may be dressed in regular patrol uniforms, or they may be wearing external bulletproof vests, Kevlar helmets and other tactical equipment. The officers may be armed with rifles, shotguns or handguns, and might be using tasers, pepper spray or tear gas to control the situation. Regardless of how they appear, remain calm, do as the officers tell you, and do not be afraid of them. Put down any bags or packages you may be carrying and keep your hands visible at all times. If you know where the shooter is, tell the officers. The first officers to arrive will not stop to aid injured people; rescue teams composed of other officers and emergency medical personnel will follow the first officers into secured areas to treat and remove injured persons. Keep in mind that even once you have escaped to a safe location, the entire area is still a crime scene; police will usually not let anyone leave until the situation is fully under control and all witnesses have been identified and questioned. Until you are released, remain at whatever assembly point authorities designate.

XX. FIREARMS POLICY

Empire State College (in accordance with the SUNY policies and regulations*) prohibits any person from possessing firearms at any college facility or college sponsored event without the written authorization of the college’s chief administrative officer. This policy specifically applies to law enforcement officials who may otherwise be authorized to carry firearms while off duty and to other individuals who may be licensed to carry firearms.
This policy prohibiting the possession of firearms does not apply to law enforcement officials in pursuit of official duty when authorized by federal or state law. For purposes of this policy, law enforcement officers who are required to carry firearms while taking on-duty breaks shall be considered to be in “pursuit of official duty” when on such breaks.
